Award –winning Actors' Rural Theatre presents their 10th anniversary show,

“Oklahoma!”

Rodgers & Hammerstein's first collaboration remains, in many ways, their most innovative, having set the standards and established the rules of musical theatre still being followed today. Set in a Western Indian territory just after the turn of the century, the high-spirited rivalry between the local farmers and cowboys provides the colorful background against which Curly, a handsome cowboy, and Laurey, a winsome farm girl, play out their love story with such memorable songs as “Surrey with the Fringe on Top” and “People will Say We’re in Love”. Although the road to true love never runs smooth, with these two headstrong romantics holding the reins, love's journey is as bumpy as a surrey ride down a country road. That they will succeed in making a new life together we have no doubt, and that this new life will begin in a brand-new state provides the ultimate climax to the triumphant OKLAHOMA! A wonderful mix of veteran actors and newcomers will delight audiences with one of America’s most beloved musicals.
